Subject: Bid Tabulation – Material Bids – Kiowa Valley Feeder Capacity Upgrade 2013 Construction 12.47 kV Electric  
Main Feeders Gas Lines, and Emergency Stock Materials

Dear Mr. Ferre:

Intermountain Consumer Professional Engineers, Inc. (ICPE) has reviewed copies of the Material Bids received by Eagle Mountain City relative to the Kiowa Valley Feeder Capacity Upgrade 2013 Construction 12.47 kV Main Feeders and Gas Lines and Emergency Stock Materials. Bid documents were provided to three potential Bidders. Bids were received from two Bidders. ICPE prepared the Bid Tabulation included with this letter using the Bids from the four Bidders.

Based on the information included in the bids, as summarized in the Bid Tabulation, ICPE has prepared the Material Purchase Recommendation included with this letter.

If ICPE can be of further assistance relative to this letter or the included Bid Tabulation or Material Purchase Recommendation please feel free to contact me by phone or email.

Sincerely,

Leslie A. Bell, Jr.
